linkedin.com/in/nirakar-nanda-569329247

"An ambitious software developer with a panache for utilizing my fundamental skills in technical projects . I enjoy working collaboratively, seeking meaningful experience in the process."

TECHNICAL SKILLS

WEB DEVELOPMENT

- Java Script
- HTML5
- CSS
- Tailwind CSS
- UI/UX figma

LIBRARY AND FRAMEWORK AND LANGUAGES

- React js
- Next js
- C programming
- Java
- Python (basics)

DATABASE

- SQL
- Mongodb

RELEVANT PROJECTS

PLANT E-COMMERCE (REACT-JS)

- Developed a fully functional, responsive e-commerce website for medicinal, decorative, and indoor plants using React.js. Implemented features including user accounts, product listings and details, a shopping cart, checkout, and order management. Used Git version control during the full development lifecycle to track code changes. https://github.com/NirakarNanda/E-com-plant

AWARDS & CERTIFICATION

- NPTEL and Programiz C programming Certified --------2021
- Java Certificate by Great Learning. --------------------2021
- National science Congress-------------------------------2016
- Social science Exhibition---------------------------------2016
- All odisha badminton championship-------------------- 2017
- Creative writing ---2018/2022

SOFT-SKILLS & INTREST

SOFT-SKILL-

- Articulation of ideas
- Attention to Detail
- Adaptation to Feedback
- Being a team player

INTRESTS-

- Line Sketching
- Digital Art
- Badminton
- Aromatherapy

EDUCATION

POST GRADUATION (2022-2024)-

- Trident Academy Of Creative Technology, Bhubaneswar
- Masters in Computer Application(MCA)
- Computer Science

UNDER GRADUATION(2018-2023)-

- Utkal University, Bhubaneswar
- Bachelor in Science (Botany)
- Percentage - 81.09%

COUNCIL OF HIGHER SECONDARY EDUCATION, ODISHA (2016-2018) -

- Sukanti Residential college,Subarnapur
- Class XII
- Percentage-68.8%

CBSE, DELHI (2016)-

- Kendriya Vidayalaya, Subarnapur
- Class X
- Score - CGPA 9
